“ Little did I know, that support group would become my lifeline through one of the darkest times of my life. Gilda's Club really lived up to its mission....I felt less isolated and less loneliness after meeting other women on a similar journey and sharing with them week after week.

“Gilda's Club was there for me at the darkest time of my life. It was a place of pure giving that functioned like a lifeline. Their policy of not charging a fee for their services was very welcoming to someone in my position whose spouse was an equal contributor to our household income.

I can think of no better place to offer one's charitable support.”
